R 18.14901 Definitions.

Rule 901. (1) As used in these rules:

(a) "Act" means 1982 PA 302, MCL 18.421.

(b) "Commission" means the Michigan commission on law enforcement standards.

(c) "Equipment" means an item of personal property of major value as established by the commission, which has a useful life of more than 1 year, which is used in direct in-service criminal justice training, and which is not a fixed part of a building or structure.

(d) "Officer cutoff" means the number of Michigan commission on law enforcement standards licensed full-time equated officers established by the commission, below which an eligible entity shall receive the minimum distribution under the provisions of section 3(a) of the act.

(2) "Distribution" as used in section 3(a) of the act and these rules, means the 2 semiannual payments made from the fund to eligible entities.

(3) Terms defined in the act have the same meanings when used in these rules.

History: 2006 MR 2, Eff. Jan. 19, 2006.

R 18.14902 Distribution of 60% of fund.

Rule 902. (1) The commission shall make distributions of 60% of the fund based upon the amount in the fund as of March 31 and September 30.

(2) The commission shall conduct an annual registration of MCOLES licensed law enforcement officers to determine the per capita basis for the distribution. The registration shall include each eligible entity designated in section 3(a) of the act. Each eligible entity shall verify the identity and status of each licensed officer and report the number of paid hours actually worked by each full-time and part-time commission licensed officer during the eligible entity's most recent complete calendar year. The verification of employed commission licensed officers shall be made on a form or in a manner prescribed by the commission and completed by the published due date. An eligible entity that does not comply with the submission requirements of this rule shall not be eligible for funding for the pending distribution year.

(3) Payments shall be determined in the following manner:

(a) Payments to eligible entities receiving a minimum distribution shall be calculated first and deducted from the available revenue.

(b) Payments to eligible entities receiving a per capita distribution shall be calculated from the balance of the 60% funds using the total number of FTEs from the eligible entities as determined under the provisions of section 3(a) of the act.

(4) The eligible entity shall affirmatively verify on the application compliance with the provisions of the act and rules, including the prohibition against supplanting. The commission may deny 1 or both payments to an eligible entity during a distribution year based upon the eligible entity's compliance with the provisions of section 3(a) of the act and these rules.

History: 2006 MR 2, Eff. Jan. 19, 2006.

R 18.14903 Law enforcement distribution funds; restrictions.

Rule 903. Funds distributed under the authority of section 3(a) of the act shall be expended only for direct costs of in-service criminal justice training of commission licensed law enforcement officers. Only the following expenses are allowable, unless otherwise restricted by the commission:

(a) The hourly salaries of instructors for the actual time spent preparing and presenting training, subject to the supplanting restrictions of the act.

(b) The actual cost of purchasing or leasing training materials used to assist trainees in understanding in-service training topics. The cost may include either the purchase price or salaries and materials expended in creating training materials.

(c) The reasonable rental cost or the purchase price of equipment used during in-service training; however, expenditures for purchase shall not be more than a total of 10% of the funds received in any year nor may any single item be more than \$5,000.00, without the prior approval of the commission.

(d) Reasonable rental costs for the use of training facilities for in-service training, if facilities owned or occupied by an

eligible entity are either not available or are inappropriate.

(e) A flat rate or tuition paid to a contractual training provider hired by an eligible entity. The payment shall be in compliance with policies established by the commission.

(f) Compact disks (CDs), digital versatile disks (DVDs), videotapes, web-based programs or other such instructional media that are based upon passive or interactive learning.

(g) Automated firearms training systems that simulate deadly force decision-making circumstances.

(h) Training outside Michigan or training provided by a vendor from outside Michigan, if the recipient has determined that similar training is not available in Michigan or that a Michigan vendor is not available. If an eligible entity chooses to use out-of-state training or an out-of-state vendor, then the entity shall request authorization from the commission, in writing, in advance, and in a manner prescribed by the commission.

(i) The commission may establish reasonable caps on allowable costs.

History: 2006 MR 2, Eff. Jan. 19, 2006.

R 18.14904 Accounting and audit requirements; sanctions for noncompliance.

(a) Account for justice training fund revenues and expenditures separate from other funding sources.

(b) Maintain records documenting financial transactions and program activities according to generally accepted accounting principles, permit program and fiscal inspections, and cooperate with any audit required or authorized by the commission.

(c) The commission may conduct an audit, at will, of justice training fund revenues and expenditures of any agency receiving justice training funds. The commission shall pay for the audit.

(d) If the commission determines that justice training funds were not spent in compliance with commission requirements, then the recipient agency shall be ineligible to receive commission funds until the commission is satisfied that the recipient agency complies with commission requirements.

History: 2006 MR 2, Eff. Jan. 19, 2006.

At the conclusion of a contract, a grantee shall return any unexpended balances to the Michigan justice training fund or the balance of the obligated funds shall be liquidated for future distribution in accordance with the purposes described in section 3(b) of the act.

(5) A grantee shall notify the commission in writing of funded training programs before the program begins. A grantee shall permit commission members or staff to monitor training programs without charge to the commission.
